

Live Bird Article 10 & Export application checklist (issued 9/2/22)

To help avoid delays in processing your application, it's important that you provide us with all the essential information we need to process it. To help ensure you do not miss anything, please complete this check list before sending us your application. Complete it digitally or by hand inserting a cross 'X' or tick ✓ to denote 'Yes' in or beside the relevant box.

Please submit this along with your application forms, placing it at the top if posting a hard copy.

Is the bird/clutch one of the commonly captive bred species listed below?					
If yes, please insert X or ✓ in or beside the box.
