

BIRDMART – TERMS & CONDITIONS OF USE.

IMPORTANT - PLEASE READ. By buying or selling through **BIRDMART** you are agreeing to be bound by these Terms & Conditions.

IBR Birdmart contains material in the form of adverts submitted by third parties (advertisers) and accepts no responsibility for the content or accuracy of such adverts nor do we make any guarantee of the contents of this site in respect of the existence or availability of anything advertised.

Those advertisers are responsible for ensuring that material submitted for inclusion on the site complies with all legal requirements. We do not accept liability in respect of any advertisements.

IBR Birdmart acts as a platform which allows users to sell and buy just about anything to do with Birds of Prey, Raptors and anything connected with Falconry, at any time, from anywhere. We are not involved in transactions between buyers and sellers. As a result, we have no control over the quality, safety or legality of the items advertised, the truth or accuracy of the listings, the ability of sellers to sell or the ability of buyers to buy. Do not assume that the sale, purchase, export or import of any item is valid and legal simply because it is listed on our website. We are not responsible for ensuring that buyers and sellers actually complete a transaction. You accept sole responsibility for the legality of your actions under laws applying to you. Birdmart recommends that you view prior to purchase. Birdmart cannot be held responsible for buyers purchasing birds that are unsuitable for the capability of the purchaser. Buyers buy at their own risk and must take the appropriate professional advice prior to purchasing.

In the event that you have any right, claim or action against any other user arising from that user's use of our website, you agree to pursue such right, claim or action independently of and without recourse to us, and you release IBR Birdmart from all claims, liability, damages, losses, costs and expenses, including legal fees, known and unknown, arising from or in any way connected with such right, claim or action.
